CS Circular No. 5/2004

To: All Registered Surveyors

## **RT PLANS UNDER COORDINATED CADASTRE**

Further to CS Circular 4/2004 dated 16.8.2004, please replace Annex D with the attached Annex D (19.8.2004).

2 The only change in this Annex D is to supply the "northing" coordinate followed by the "easting" coordinate in the Lot format. This is to make the format consistent with the practice.

A handwritten signature in black ink, appearing to read 'Kenny Foo', with a stylized flourish at the end.
