Dear Sirs / Madams

**CS NOTICE: QUERY RATES ON CADASTRAL JOBS SUBMITTED BY REGISTERED SURVEYORS
(MONTH OF SEPTEMBER 2007)**

Please refer to Annex A. The query rate for the month of Sep 2007 is 66.2%.

There is no significant improvement in the query rate. We would like to again remind registered surveyors who submit query-prone jobs that they need to put in more effort to carry out their jobs thoroughly and effectively before submission. The objective is to see the query rate drops to 5%.

To those registered surveyors who submit query-free jobs, we like to thank you very much for the jobs well done and would like to convey our appreciation. Please continue with the good efforts.

As informed in the last month's query rate notice, we will be initiating the necessary action if the following few months' rates do not improve.
