**TO INDICATE WHOLE OR PART OF PHYSICAL PARENT LOTS ON ANNEX B-2**

Please refer to CS Circular No. 1/2011 on the subject "Submission of Child Lots – Physical Parent Lots Information".

2 Henceforth, the Child Lots-Physical Parent Lots information would have to indicate whether the child lot is derived from the whole or part of the Physical Parent Lots. Please refer to attached Annex A and the new Annex B-2 (sample letter for your use). This requirement is arising from a customer's feedback.

3 Please also note that the Child Lots-Physical Parent Lots information may have to be submitted for big or multiple developments being constructed in phases or varying stages. Normally you would apply for the new lot numbers phase by phase or in stages. Where such developments involve amalgamation of physical parent lots as "dummy" lot upfront in any preceding phase/stage and no CP for the preceding phase/stage has been approved yet, you have to provide the Child Lots-Physical Parent Lots information at each subsequent phase/stage.

4 Please ensure all details of the Child Lots-Physical Parent Lots information are entered in Annex B-2 before submitting it to us and sending a copy to your clients for them to forward it to their Solicitors.
