* Note :

- (1) Use of the property/land is subject to availability of the property/land and approval from SLA and other relevant authorities.
- (2) The TOL rates in this table would normally apply.
SLA reserves the right to vary the TOL rates at any time, on case-by-case basis.
- (3) The TOL fee payable shall be that which SLA confirms to be the prevailing rate as at the date the TOL commences.
- (4) The TOL rates are on per month basis, unless otherwise stated.
- (5) The TOL rates are for land, unless otherwise stated.
- (6) TOL fee will be computed based on (TOL Rate x area) + GST.
Example: TOL Fee = (\$2.25 psm per day x 500 sq m) + 9% GST = \$1,125 + \$101.25 (9% GST) = \$1,226.25 per day
- (7) Examples of calculating the amount of TOL fee, inclusive of GST :

Example 1

Use :	Event Space (With Sales)
Sector :	Central
Land Area :	500 sqm
Number of Storeys for Structure Constructed on Site :	2
Floor Area of 2nd Storey of Structure :	100 sqm
Total Area :	600 sqm
First 500 sqm :	\$2.25 psm per day x 500 sqm = \$1,125 per day
Balance 100 sqm :	\$1.15 psm per day x 100 sqm = \$115 per day
Amount of TOL Fee without GST :	\$1,125 + \$115 = \$1,240 per day
Amount of TOL Fee with GST:	\$1,240 + \$111.60 = \$1,351.60 per day

Example 2

Use :	Event Space (With No or Ancillary Sales)
Sector :	Suburban
Land Area :	800 sqm
Number of Storeys for Structure Constructed on Site :	2
Floor Area of 2nd Storey of Structure :	300 sqm
Total Area :	1,100 sqm
Sales / Product Promotion Area Within Site :	200 sqm
Check : % of Sales / Product Promotion Element	200 sqm / 1,100 sqm = 18% < 30%

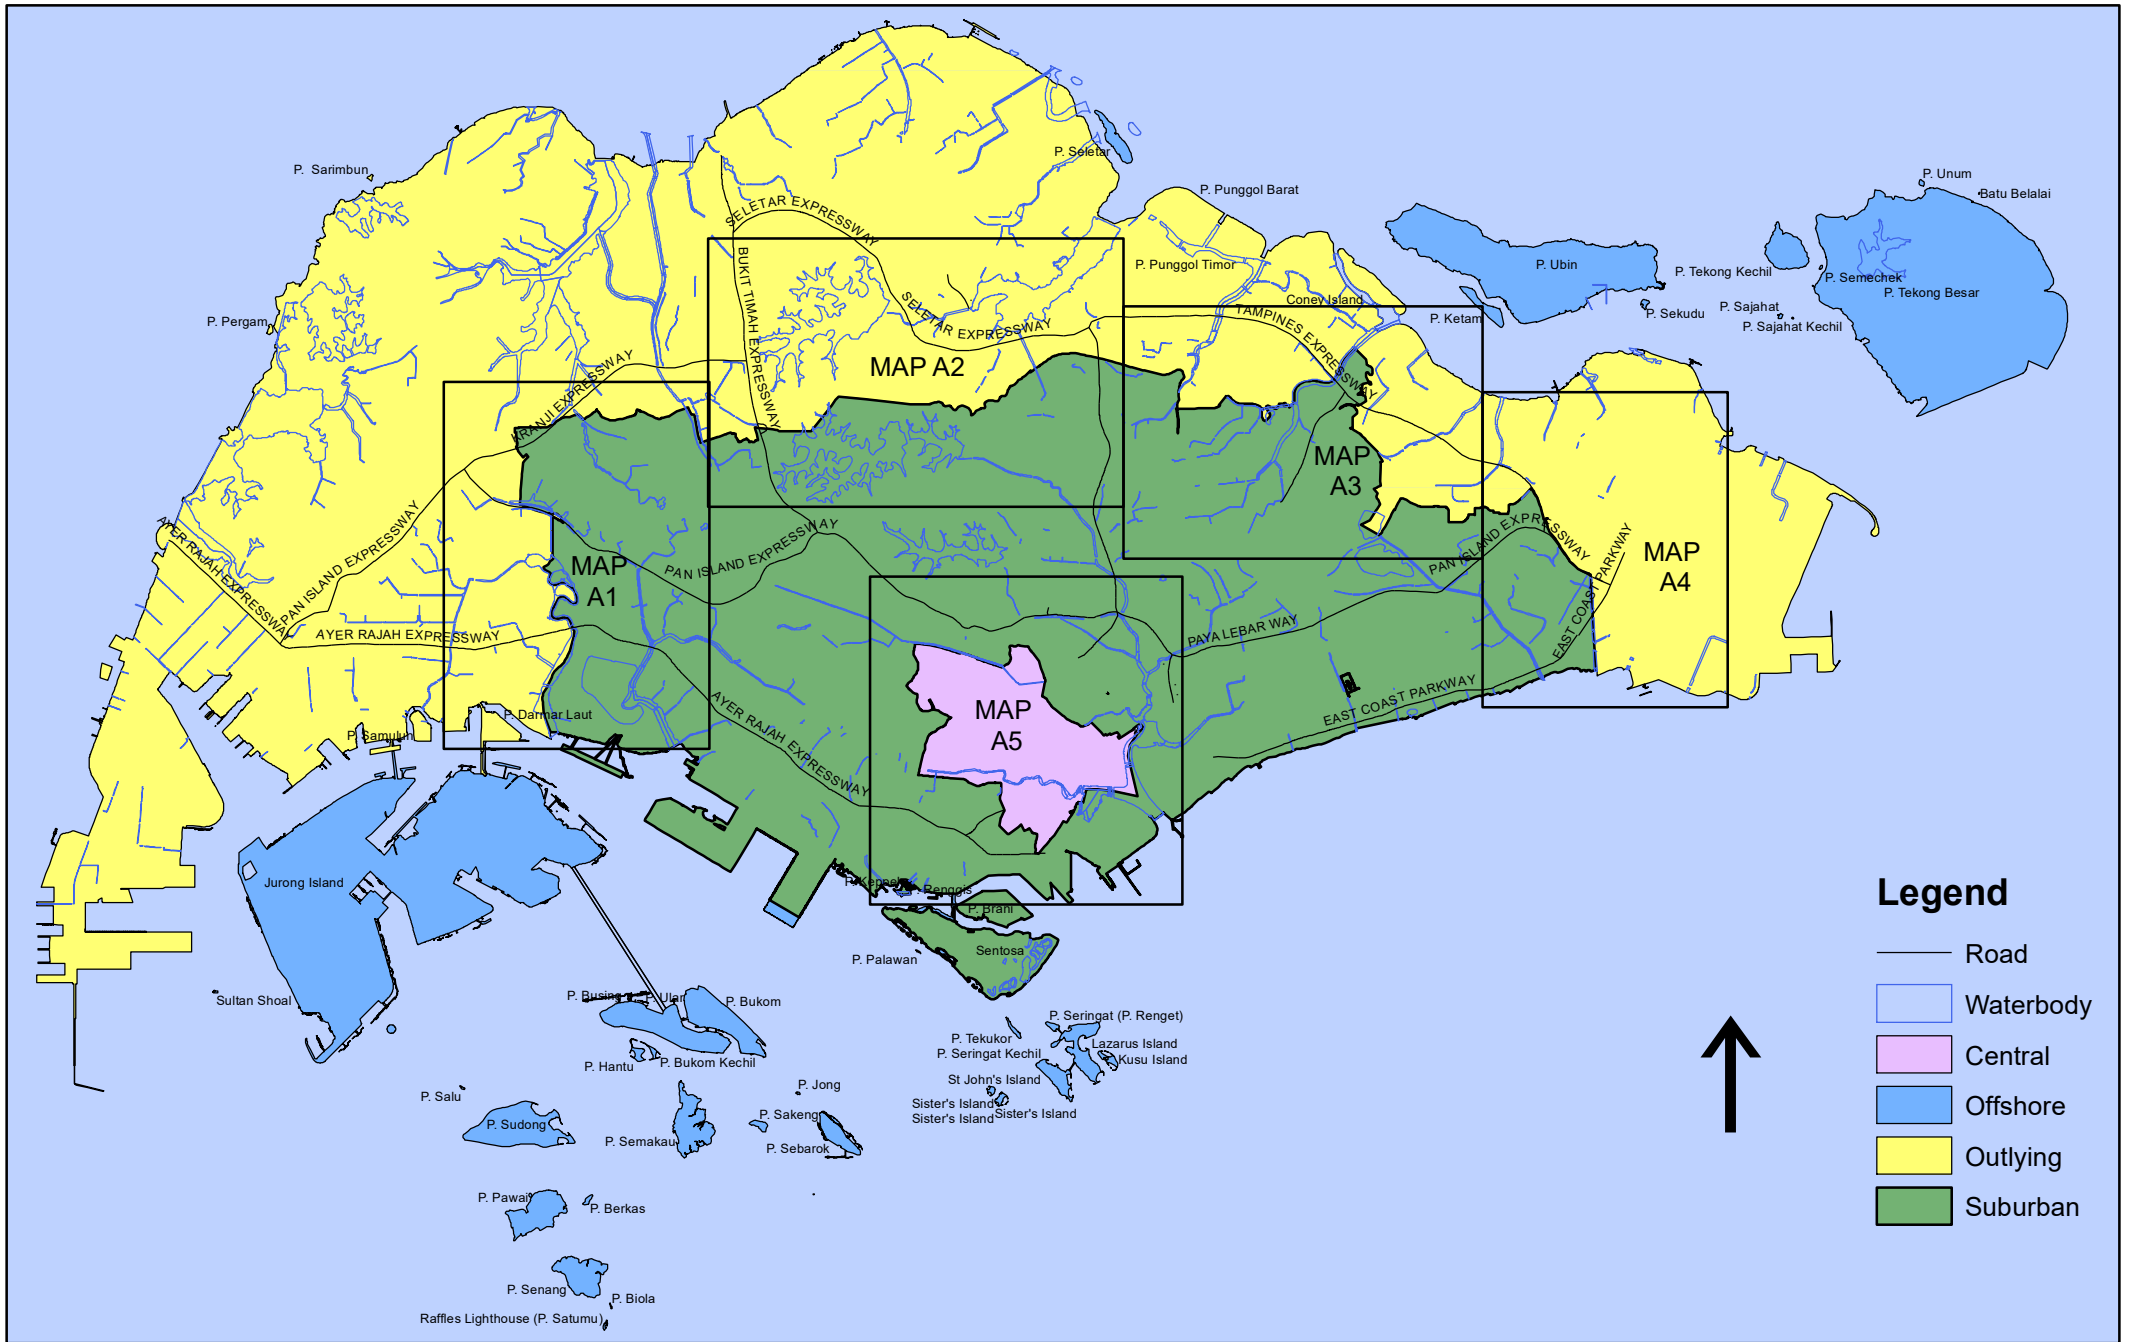

First 500 sqm :	\$1.20 psm per day x 500 sqm = \$600 per day
Balance 600 sqm :	\$0.85 psm per day x 600 sqm = \$510 per day
Amount of TOL Fee without GST :	\$600 + \$510 = \$1,110 per day
Amount of TOL Fee with GST:	\$1,110 + \$99.90 = \$1,209.90 per day

Example 3

Use :	Worksite to Support Construction Project Only
Sector :	Suburban
Land Area of Entire Site :	15,000 sqm
Floor Area of Site Office :	1,000 sqm
Area of Minimart - Commercial Area :	50 sqm
Base TOL Fee for Entire Site :	First 10,000 sqm : \$2.00 psm per month x 10,000 sqm = \$20,000 per month Balance 5,000 sqm : \$1.25 psm per month x 5,000 sqm = \$6,250 per month Base TOL fee for entire site : \$20,000 + \$6,250 = \$26,250 per month
Additional TOL Fee for Site Office :	\$5.00 psm per month x 1,000 sqm = \$5,000 per month
Additional TOL Fee for Minimart :	\$5.00 psm per month x 50 sqm = \$250 per month
Amount of TOL Fee without GST :	\$26,250 + \$5,000 + \$250 = \$31,500 per month
Amount of TOL Fee with GST:	\$31,500 + \$2,835 = \$34,335 per month

Example 4

Use :	Car Parking
Sector :	Outlying
Number of Lots :	350 Lots
First 100 Lots :	\$51.00 per lot per month x 100 lots = \$5,100 per month
Next 200 Lots :	\$41.00 per lot per month x 200 lots = \$8,200 per month
Balance 50 Lots :	\$38.00 per lot per month x 50 lots = \$1,900 per month
Amount of TOL Fee without GST :	\$5,100 + \$8,200 + \$1,900 = \$15,200 per month
Amount of TOL Fee with GST:	\$15,200 + \$1,368 = \$16,568 per month
